### Twin Daughters of Mr. and Mrs. George Adams Celebrate Birthday.

A very pleasant occasion at Colliers on August the twenty second was the celebration of the twenty-first birthday of the twin daughters Misses Eva and Effie, of Mr. and Mrs. G. A. Adams, of Colliers. At 8:30 the guests began to assemble at the home of these hospitable people where they were received by the fair honorees who were daintily gowned in white lace.

The house and grounds were beautifully decorated, and being patriotic young ladies, they used the national colors, red, white and blue, which was well carried out in decorations and refreshments.

The lawn was artistically lighted by Japanese lanterns and was made attractive with swings, hammocks and cozy corners. The hall and parlors were embowered in Southern Smilax, beautiful potted plants and the national colors. On the front veranda a picturesque booth had been arranged in which stood Mr. Robert Adams and Miss Agnes Rowland, who dispensed punch throughout the evening to the guests. The forms of entertainment consisted of progressive games, the first being a memory test of the spelling days of "Auld Lang Syae," seeing how many words could be made from "The Twins." The prize was awarded to Miss Ann McKenney Rowland, who made the greatest number. The next was a contest of Geographical and Biblical questions. The prize was given to the table and had to be drawn for and was won by Miss Anna Hammond.

Then followed a recitation by Miss Agnes Rowland who showed herself skilled in expression. The popularity of these young ladies was fully attested by the number of beautiful gifts which they received.

About sixty guests were present, and Mesdames. D. T. Mathis, E. B. Mathis and W. G. Wells assisted in entertaining them. The refreshments were block cream, in red, white and blue, the cake being in the same colors. At a late hour the guests bade their hostess a reluctant good-bye and turned their faces homeward, but the pleasant memories of that evening still linger with us.

A Guest.

### Card From "Uncle Iv."

Ten o'clock Saturday.—Just in from the cotton patch. Pretty warm, but cool I guess in comparison to the hot times across the Atlantic. I read the grand jury's report and in my poor judgment the Edgefield officials are hard to beat. I know and honor all of them. But the clipping from the Spartanburg Journal made me think about the families from which the editors of both papers came. I just thought, well, they had to be the right kind of men or renigged from the high standard from which they came. Yes, anything I read or hear about anybody from old Edgefield makes me feel good. Why?—because I was once one of them. (We think of you as one yet.—Editor.) I am not yet as fat as Gus Edmunds but am about the same. I do hope South Carolina will put her same governor back. Don't think she can improve on him.

### DON'T NEGLECT YOUR COLD

Neglected colds get worse, instead of better. A stuffed head, a tight chest must be relieved at once. Dr. Bell's Pine-Tar-Honey is Nature's remedy. Honey and glycerine heal the irritated membrane, antiseptic tar loosens the phlegm, you breathe easier and your cold is broken up. Pleasant to take, Dr. Bell's Pine-Tar-Honey is an ideal remedy for children as well as grown-ups. At your Druggist, 25c.

### FORGET YOUR ACHES

Stiff knees, aching limbs, lame back make life a burden. If you suffer from rheumatism, gout, lumbago, neuralgia, get a bottle of Sloan's Liniment, the universal remedy for pain. Easy to apply; it penetrates without rubbing and soothes the tender flesh. Cleaner and more effective than mussy ointments or poultices. For strains or sprains, sore muscles or wrenched ligaments resulting from strenuous exercise, Sloan's Liniment gives quick relief. Keep it on hand for emergencies. At your Druggist, 25c.

### Grand Jury Report Bearing Upon Office of Superintendent of Education.

which now exist.

Supt. Fuller deserves special praise for the management of affairs coming under his supervision, it being a fact that all school claims have been settled to date, with no outstanding indebtedness. Through his efforts and the co-operation of citizens in rural districts, new buildings have been erected and equipped with modern furniture and fixtures, with comparatively little cost to the districts and county. We would urge upon the citizens of our county, first of all, the education of our boys and girls. See to it that you have a conscientious body of trustees and efficient teachers; consider it a duty equally as important, to visit your school as to attend your church, and make an effort to surround your child with advantages which would fit him to respond to the demands of a business world.

R. L. DUNOVANT, Chmn.

The following districts have during the year voted special levy for school purposes: Blocker No. 1, 2 mills; Limestone, No. 37, 4 mills; Red Hill, No. 3, increase from 2-1-2 to 4 mills; Collier, No. 5, increase from 3 mills to 4. There still remain (9) nine districts which have not voted special taxes.

Upon the formation of McCormick County the following districts were taken: Liberty Hill, No. 6, White Town, No. 7, Plum Branch, No. 15, Madoo, No. 18, and Parksville, No. 26; also parts of Red Hill, No. 3, Talbert, No. 17, Clarks Hill, No. 19 and Beaver Dam, No. 40.

We hereby take pleasure in commending the citizens of Bacon District, No. 34, upon the erection of a modern \$8,000 school building which is now being constructed, with mention also of the new wooden building in Red Hill District, No. 3. Other districts equally as prosperous as these would add to their progressiveness by the erection of modern buildings in place of the inadequate ones Mr. Foreman,

Grand Jury, 1916.
